Telegraph me, if you please, early in the morning, at the Burnett House, and much oblige

St Col C. G. Sutherland
Adj Gen Chief of Staff
Sir

I have the honor to ap-
ply for a leave of absence for "Twenty Days" for the follow-
ing reasons, viz

1st I have been in service 22 months and during that
time have not had leave nor been off duty but I need now
on account of sickness.

2nd When I first entered the service the war sympathies
prevail in my native State, Ky. rather hastened my departure
from home causing me to leave my affairs in an unsettled state
and since then I have not had an opportunity to return
and arrange them.

3rd I have an old and infirm Mother who is sinking
daily and it is my earnest desire to see her once more as
one of us should do.

4th There are in and about Louisville Ky. and Cin-
cinn. O. a large number of men belonging to the 1st, 2nd, 3rd
Ky (Regts) and without wishing or asking for an "Order"
I think if the time asked for above is granted I could secure

a great proportion of them

Very Respectfully

Yours &c

Will I be allowed to raise two regiments of negro Cavalry?
The only regiments of Cavalry in the District are under orders to go to Georgia.
Col. J. D. Sedgwick 2^d Ky. Vols. whose term of service has just expired I
would recommend for the Colonels of one of these regiments. He has seen much ser-

Sir,

On the 26th of Feb, 1862 by
Special Order No 52 "Extract" The copy of which is
hereto attached, it appears that Charles A. Smith
2^d Lt. 8th Regt has been commissioned 2^d Lieut in the

assume that in copying the "Extract" a mistake
was made. I therefore respectfully ask of you further
information upon the subject, if there is a mistake
and he has not been appointed. I beg leave
respectfully to have permission to make a nomination
from my own Regiment.

VOLUNTEER

Infantry

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on the statement.

NOTE 6.—Amounts due the Soldier and his dependents shall be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the 3d Auditor, Washington, D. C.

14 2nd Feb

M. O. By Capt. J. L. Johnson
Feb 15 1865

This paper was found in the files of the Provost
Marshal General's Office with the records re. and
the Chief Mustered Officer of Kentucky.

War Department,

Adjutant General's Office,

Washington, Feb. 20th. 1865.

Sir:

In reply to your letter requesting a Descriptive List of Francis A. ... in Company No. 2nd

Regiment 16th Inf. Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.
There is no record of his enlistment and mustering in said Co. in file in Company

Regiment of Volunteers, is ... years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the ... day of ... 186... at the town of ... in the State of ... by ... and mustered into the service of the United States on the ... day of ... 186... at the town of ... in the State of ... by ... to serve for the period of ... years, ... "during the war."

ACCOUNT OF PAY.

It is stated on the Muster "Rolls" of his Company for the months of June 1st to 15th 1864, that he was last paid by Paymaster Major Dixon to the 30th day of April 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On June 18th he is reported ... Mustered out. Mustered out to ... Enrolled and mustered in ... This soldier should not have been held to service beyond June 21st 1864.

Very respectfully,
Your obedient servant,

Samuel D. ...

Assistant Adjutant General.
(7)

To ... Mess.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Louisville Sept 10th 1862.

William H. Wain of Sth Kentucky infantry volunteer,
Co. E. 10th Kentucky, Capt. Geo. W. H. Allen, has placed
himself under my medical treatment for hæmaturia
or a discharge of blood urine. He has all the
symptoms of renal disease of this character.

I believe the disease to involve, if it is not
located in the kidney of the left side. He has
continued pain in the right kidney.

It is very evident that he is unfit for military
duty.

I am here under arrest. My offence
is this. Day before yesterday I wanted to send letters
to a lady in Franklin & her in Prison - as I was getting
it by ready. The rebels would not allow it. I went home
with the General and when it was over with much trouble
my servant (Black Boy) took the letters before dark and
to find him again - all at once - beyond his power.
I have been from one house to another.
I have been for many of our staff but they are not
to be allowed when I am here. Knowing that no objection
would be made if presented and they not being a slave
& being for my service with no private business. I did
not for a moment think it would be objected to
having been in the office for over two years. Now before
even recommended having always behaved to a good
and faithful soldier. I feel very hard that I should be
trapped up at this at that indignation for as I live
I thought of doing any thing intentionally wrong never
against my friend. It having been made a serious
matter. It being most serious. It almost kills me to
be under arrest. It is very to kill a young man - to
more than kill him - disgrace him for life. Would it not
be much better to save one than to destroy him especially

of the reputation of the character previous to the death
 having no more merit anything more & altho there is a
 bundle of why it can be made to say be a very
 serious officer I hope further to be put with many
 by our commanding Genl ^{however} ~~for a short time~~ ^{under the} ~~the~~
 to be seen ~~will be~~ ^{manufactured}

To ask that you will do me the favor to personally
interpose in my behalf - I have trouble you from
me as altogether as usual & certainly I was not surprised
to find this morning 11 o'clock & I was required to
be ready, who with an event that was going on
me -

You know somewhat of my Military life & also of my
life before - and being the Chief officer I am entitled to the ~~same~~
~~same~~ & been in the habit of wearing ~~for~~ ^{an} ~~uniform~~
since from Day of mine to carry a letter of Privilege - ~~that~~
Military nation, was badly treated certainly was factious
from my thoughts - to do any thing wrong,

I have now under cover one of the things of the kind before and state
it seriously & heartily

please let me hear from you. I regret troubling you & must be
as I cannot advise satisfactorily & you having one journal & being
when you can make a formal appeal. I have taken the
 liberty to advise you mentioning your unpleasant
trouble. I am satisfied that the last Review & that
we can then discuss release me, or not. I will

With much respect & friendship
Yours &c

I feel so bad I cannot write I hardly know
what to say. I have been a sickly cuss
& mostly off my feet constantly doing something out
of the way. I would not come but having
always taken such pains to do everything right
I cannot but feel almost crazy at this affair.
It is nothing but a matter of misdirection and an
error of the heart. Again excuse me for troubling you
with my private trouble.

I E.D.

Sir

I have just reported to my
Regiment and in response to your communication I would
state that being unfit for duty from long continued sickness and
believing that the Genl Comdr was not aware of the fact that I
was under the care of a surgeon and had regularly reported by cer-
tificate I deemed it my duty to lay the facts before him with
copies of said certificates (which I did immediately) stating
at the same time I hope it will be satisfactory if not I
would report. But as my health was such I was
totally unfit for duty that I would wait until I heard
from him again. The approval of my Regimental and Brigade
commanders and the accompanying Surgeons certificate
that I was and still am totally unfit for duty. still I

I hesitate to trouble you further - but a dispatch
re this morning's Knoxville Journal makes me very unhappy
and that I believe that you persons would deal so harshly
for an unintentional wrong but my reputation which is
my all is so injured - Therefore as an officer I cannot by writing
to you and believe no exceptions can be taken to my acts

Therefore I cannot believe that you are desirous of laying
me stop upon this matter then really is needed & I hope
you will do all in your power to relieve me from the difficulty
this act of official indignation has put about

Believe me when I assure you I must be wrong - as
my situation had been known of me by the acquaintances
of certain parties I regret that I have not more discretion
in the matter - but I am sorry enough for it now and
here it will stop -

Being as I do the propriety and willing as I am to make all
amends possible I trust the opportunity will be given me - that
my life which has hitherto been untroubled may thus you
mercifully remain so - and that you will consider it an error
of the head not the heart - forgive the act & release me to duty
I assure you I will appreciate the kindness & promise that
nothing shall ever occur again to shake that confidence

which I am forced to think has ever been referred in due - mode to
know what I have suffered. I am now in the worst state no
one my mind troubled with the constant working of the subject
I am perfectly miserable

Had they ever been as accidental intentional as - I am now

ment. but knowing as I do that it was not an intentional wrong
may I not hope for a speedy & favorable response. that I may

Col. H. S. Brown

Natchez June 20th 1858.

Colonel

I most respectfully beg leave to lay before the Genl & commanding the following statement
A day or two previous to the breaking up of Fort
Moberly Staff. I wished to send my servant on
errand for myself just as I was getting the pass ready
to send to Capt. Russell for the approval. Finding was here
in our front. I immediately saddled my horse - and was
ordered to see what it meant.

I found the Cavalry & Infantry promptly falling back in
confusion - about 1/2 mile from camp. I rallied them place
them in position - then advanced them to cover a bridge
over the river - then ordered them to hold said position
with tenacity while I returned to report to the Genl & bring
up reinforcements.

The rebels pressed on as soon as I placed them waiting on
the ground where I had rallied the Union troops and had a
sharp little fight which lasted some few hours and was the
time from the commencement until they retired.

As soon as it was over and being considerably delayed
by the excitement. I returned to my quarters - My Bayonet
having yet been at when Frank's H. Cavalry were about
1/2 mile off and I believe that the Staff were all on 1 -
And as is frequently the case when the Union soldiers

pass is about and an officer wishes a pass for a simple
purpose the same one the sign it

It has been my province to sign passes for Gen. Gribble
Command, by special order. It has frequently occurred
when I was at home other staff officers wanting passes
for the same purpose. They then used my name
I know of no instance however that has taken place

simply in the way of one of the usual instances that
have come to my knowledge. There have been here
as not the least intentional wrong was contemplated
or committed by the use of my name. I did not give it
as a general thing.

It was taken up however about to Gen. Gribble. He
said for the time being I have just a little thing
importance being attached to it as a case. He said
I have a pass for me I want explained. I replied
why Gen. I have that that morning to go on an errand
for me. He appeared very much displeased and to me
that day I had to ask him what he would not give me
in my commission and the official attestation very much
embarrassed me. I attempted to explain he said to per-
mitting Gen. ready to go back to the office and the papers
in the case. I did so the papers were sent with his
indorsement and as it appears was acted upon the next day
without giving me the least opportunity to explain or say
one word in defence.

I was without any expecting to be called upon to explain

When the matter was voted upon but the first I know of
the telegram in the London Standard meeting room which
definitely announced the fact that I had been discontinued
by the Service for Gregory and ordered by the
War Office to return during the war and all the for ex-
ample act of discontinuation at that time. For as far as I know
no discontinuation & none occurred by the use of said Pass-
port. I concluded the pass was not being fully presented to the
proper Commanding

thinking as I do the war was a struggle for our and valuing
as I do my reputation most dearly and the good opinion of my
old friends & country, by of the Commanding General
that he would have ordered & then return me to duty or
perhaps to be given a full & important hearing before a proper
Court.

Having been in the Service during the war and as all my
acquaintances know and my public will know I have served
well an efficient officer there ever been discontinued by
my Government it is hard very hard that for one foolish
act my whole life & those who are dear to me should be black-
ed by the world all my former efforts for nothing.

Not knowing exactly how to understand your last order
telegram for me to advise her for further orders - whether it
suspended the matter for the present & still be in the Service &
required to transmit my communications the regular channels
or not. As I cannot understand - but as it is more than
life & death to me I must give you all possible information. The being dis-
continued - Capt. Alexander Brown Maudslayi of Newcastle is here

is hearing with you & day to day he is very anxious to make
State want to give. All days the hands have been made
that are incorrect. what he is hearing & who is anxious to
see the gun about it.

Trusting that the Order will be accepted either I have time
to write Mr. & a hearing too. I think I can find myself in
order. I am sure you will telegraph me - if it is not asking to

Understanding that Major Genl. S. Granger
has laid my matter before the Genl. Command Dept. &
will be made a frank statement which you will please
have presented to Major Genl. Rosecrans

I have been in the service for over two years. Since
the battle of Shiloh I have been a Staff Officer first
with Genl. H. Johnson and after with Genl. Gilbert. I have ever
endeavored to do my duty faithfully & none will say
ought against me. I have never been reprimanded
have been constantly on duty - and of late Staff Officer
of Genl. Gilbert's Staff with written instructions to sign
passes &c.

While in Franklin Tenn. I became acquainted with and
joined a body of fleeing ^{advancing} and Social men
Several times held parades between us. Upon leaving Franklin
as we moved from this unexpectedly I was very anxious to
hear from him once more. I wrote him often and just as I was
about writing space for my servant to take to Appleton
for approval. Hearing was heard in our post and I was
sent to see what was the trouble. Finding the Rebel
driving our Cavalry & finally picked up & killed

I salute them as a Commanding Judge putting them
in their advised the officer as to the importance of holding
said position & return action & report when called -

A brief statement enclosed - and after the enemy retired
showing successful etc. but with the 2 divisions. And anxious
to know my servant but this sign. I am; and as how foreign
staff were still in the field, beside knowing that my request
from your name be readily granted. I wrote the same
and very thoughtfully signed. I hope Russell's approval anything
wrong was farthest from my thought. As the object of
the same will show

The injury is readily seen and I am deeply sensible
of any wrong committed. - And willing to make any amends
with assurance that no complaint shall appear against me
again. - but when the matter made public. I cannot
endure - my reputation is all I have - & I have been
hard to while in the discharge of my duty make it unex-
ceptable. & I believe so to the I have accomplished it fully
lamenting deeply the foolish act - I appeal to the Genl Comd
who values the untarnished reputation of a young man. Not
to blot my whole life for one circumstantial misstep -
It is so easy to destroy - but hard to restore - having ever
been faithful in the discharge of my duties. I trust that
the Genl Commanding will restore me to my duties - assuring
me that I will most deeply appreciate the favor & spend
my life for a strict observance of my duties in the discharge
hereafter. - It was a thoughtfully foolish & crazy move

and would not have accused him & have done so
thought - and so I must be wrong by it I trust that
while he is so far from being by the said circumstances
I am very sensitive & it almost kills me to be under
arrest - but had he intended anything, why he would not
have named that as appeal, for he is sure to come
to my assistance - the more I know of the charges
of my father, the more I am proud to believe that
the said circumstances is more willing to believe than to believe
especially when it will show the accused officer

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company to which the soldier has served should be given on the back.
NOTE 2.—An enlistment is not in all cases, precede payment of pay, bounty, pension, &c. A recruit is not to be paid in all cases, but in the Adjutant General's Office as evidence of enlistment. The recruiting officer, commissary, or assistant commissary of recruits, or the case may be, will accompany both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—and to accompany the recruiting returns of the recruiting officer (not the recruiting agent) to the Adjutant General, and to accompany the returns of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.
NOTE 2.—An enlistment holds to service. A recruit is sent in all cases, precedes payment of pay, bounty, pension, &c. A recruit's roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

A. A. S. Chief of Staff.

Sir;

I have the honor
to tender my Resignation from the Office of
Second Lieutenant, Company "C" Second
Infantry Regiment, Kentucky Volunteers.
For the following Reasons, viz;

Owing to my State of health, I feel myself
incompetent, & unable to perform Active Service
in the Field.

For the past three Months, I have been afflicted
with Dyspepsia, from which I can obtain
no Relief, whilst exposed to the hardships
attendant to Military Life.

Whilst in Western Virginia, I was prostrated
with Typhoid Fever, & there my Constitution
received such a shock, that I never since
have entirely recovered, nor will I as long
as I shall remain in Active Service.

I think the Army would be much more
benefited without my Services, than with them.

I certify upon honor,

- 1st. I am not indebted to the United States.
- 2^d. I have no Government property in my possession.
- 3^d. I have never been Absent without Leave from my Command.
- 4th. I was last paid by Major Foote, as a Private Soldier up to August 31st 1862, but my Commission bears the date August 13th 1862. I am under charges.

All of which is most respectfully submitted.

I have the honor to be, &c remain,
Your Most Obedient Servant.

I have the honor to tender my immediate & unconditional resignation of the position of 2d Lieut of Co A 3d Regt Ky Vols due to the following reasons. First - Physical disability. I have been afflicted for the past three years with "Varicose Veins" of the left leg the soreness of which has been greatly augmented by a Gun shot wound near the knee joint of the same leg received at the battle of Shiloh Tenn. on the 7th day of April last which is not yet healed & renders me unfit for duty.

Very Respectfully Yours &c &c

George Taylor
2d Lieut Co A 3d Regt Ky Vols.

I certify that the facts above stated are correct. The wound received by Lieut Taylor is still untreated. Throat a very slight one

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. l. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, constitutions, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempted fraud.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will sign the certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

When certification, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and attach certificates on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward through these channels down to the Adjutant General United States Army at Washington, D. C., they will not under any circumstances be given into the hands of the soldier.

Sir,

I was called to see Sout. Taylor, of the 2nd Kentucky Vol. Regiment, on the 5th of Sept. last, since which time he has been constantly under my professional care. I found him suffering with Typhus fever of a severe character. He has gradually recovered from the fever, & is now able to ride or walk about.

He has however a chronic disease of the spine which will in all probability be permanent. At all events it will for a long time to come, (certainly for a year or two) entirely disable him from performing hard labour or enduring much exposure. There has been no time since I was first called to see him

when it would have been at all
safe for him to have undergone
the fatigue of a journey to your
Head Quarters, & he is by no means
able to perform military duty—

quite sick with Typhus Fever.
I do not think he will be able to

time as you may deem proper.

I take the liberty of saying that

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, or a surgeon commanding a detachment of recruits, &c., &c.

AND C REEDED BY

NOTE 2.

When a probable case for pension, ^{ADVIS} special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1280 Regulations, Enst. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, scrofula, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick.
